ANNALS INDEX VOLUME 39

Honggen Xiao
The Hong Kong Polytechnic University, Hong Kong

This volume contains 90 main articles, 24 research notes, and 40 publications in review, with 278 author appearances. As a reflection of these contributions to the overall knowledge landscape of *Annals*, this volume index maintains as well as expands the comprehensive "Subject Index", available online at <www.elsevier.com/locate/annals>. Three subject headwords were introduced into the cumulative subject index, including Burundi, Obesity, and Wine/Winery. The expansion of knowledge on existing subject headwords encompasses the following sub-divisions: China, Shangri-La, outbound tourism; Methodology, Analytical, Q method and Data Collection, panel; Service, encounter; Social, media; and Theory, reception, and social movement.
